EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Erik C Swanson (Reg. No. 40,194) on 4/22/05.

The application has been amended as follows:

IN THE CLAIMS:

In claim 1, line 13, --said boundary member including first and second ends with a head portion disposed therebetween, said first and second ends and said head portion being spaced apart from said partition member, with the distance between a free end of said partition member and an upper portion of said head portion being greater than the distance between said first end and said partition member and the distance between said second end and said partition member;-- has been added after "region;"

In claim 4, line 1, "3" has been changed to -1--

In claim 19, line 13, --said boundary member including first and second ends with a head portion disposed therebetween, said first and second ends and said head portion being spaced apart from said partition member, with the distance between a free end of said partition member and an upper portion of said head portion being greater than the distance between said first end and said partition member and the distance between said second end and said partition member;-- has been added after "region;"

Art Unit: 3745

The above changes have been made to overcome rejections under 35 USC § 102 and correct claim dependency.
